GOTTLIEB MARTY

This is the first of what I hope to be a semi-annual newsletter. The purpose of which is to share my findings and the findings of many others with all who are known descendants of GOTTLIEB MARTY. I am mailing a copy of this newsletter to all known descendants that I have an address for. If you know someone who would like to be on my mailing list please let me know and I shall include them.

If you know the address, phone number or other pertinent information about any descendant, listed or not, please share that information with me. I am actively compiling data on ALL descendants of Gottlieb Marty as well as looking for his (our) ancestors.

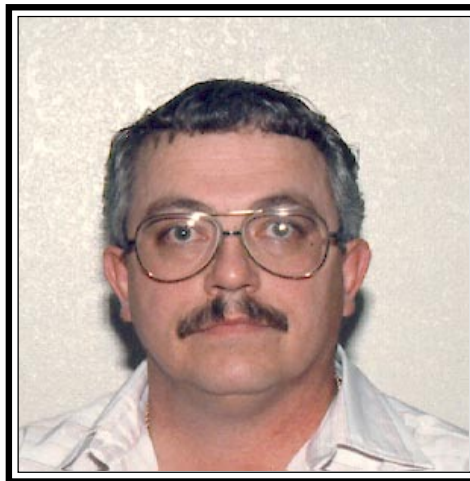

This newsletter is by no means my brainchild. I wish to thank Paul Von Fange of St. Paul, Minnesota for sharing his "VON FANGE" newsletters with me. After reading the "VON FANGE" newsletter and being enlightened by the information they contained I felt it to be to good an idea to pass up. In addition it seemed to me that the newsletter was a source of new and continued information for all family members, whether or not they are active in the search of their ancestors.

Gottlieb Marty married Elizabeth about 1855. I do not know her maiden name. They had two children that I have knowledge of, Mary who was born in 1856 and George Carl Marty who was born (in Illinois) on June 8, 1858 and died (at Lincoln, Kansas) on June 6, 1906.

GOTTLIEB is our first know ancestor. I only recently found a name for him in census records. A bible belonging to George Carl Marty, son of Gottlieb Marty, had the inscription: Fathers birthday April 20, 1837 and Mothers birthday February 11, 1839. No one knew the names of these individuals.

I had been looking through census records for George Carl Marty and was led to Beardstown Twp., Cass County, Illinois, as Beardstown was listed as the birth place for some of George's children. I

I first found Gottlieb Marty in the 1860 Census for Beardstown Twp., Cass County, Illinois. He is listed there with Elizabeth Marty, who I believe is his wife. However their daughter, Mary who would have been four years old is not listed. George also had a sister named Elizabeth but because of the ages listed I

If you have any ideas, suggestions or information you would like to see published in this newsletter please do not hesitate to let me know.

I wish to start by expressing my gratitude to all who have worked so hard for so many years to collect what data we now have.

Lucille Liggett of Lincoln, Kansas who has contributed many hours and untold data on the MARTY's, VON FANGE's and many others.

Alma Buck of Colorado Springs, Colorado, my Aunt, and supplier of much data and personal support and encouragement.

Dalice (Marty) Schmitt of Gurdle, Nebraska, my mother, and answerer of my multitude of questions.

And many of you, too numerous to mention, who have taken the time to answer my requests for updated and current data about you and your loved ones. I know I ask for a great deal of your time and I hope you feel it has been worth while as we began to fill in many of the blanks in our FAMILY TREE.

This quest has become for me like a thirt that cannot be quenched. I work at it every chance I have and seem more driver by each new fact or name. I hope you enjoy this newsletter and it finds each of you in good health.

do not believe the Elizabeth listed is his sister.

In the 1870 Census for Beardstown Twp., Cass County, Illinois, I again find Gottlieb. He is listed here with Elizabeth (wife), Mary (daughter) and George Marty (son). Gottlieb lists his occupation as "Farmer", Elizabeth's as "Keeps house" and Mary as "At home". In this record Gottlieb listed his place of birth as Switzerland. This is contrary to all I had known previously. It was my understanding that Germany was our place of origin. He lists his wife, Elizabeth as being born in Illinois but her parents were born in France. I plan to search further into the birth and death records of Illinois and will share any new findings in the next issue.

In the 1880 Census for Beardstown Twp., Cass County, Illinois, I find Gottlieb listed with Mary (his wife) and George (son). By this time Mary would have been 24 years of age and I assume was either married or at least not living at home. Gottlieb lists his occupation as "Farmer". Again in this census Gottlieb lists Switzerland as his birthplace and the birthplace of his parents. I have many immigrant lists and shall thoroughly search them now that I know a name to look for.

I do not know the place of birth, death or burial for Gottlieb, or his wife Elizabeth. Mary & George Carl Marty are listed as being born in Illinois and I assume that possibly they were born somewhere in the vicinity of Beard-

town. I know that George Carl Marty died at his farm in Lincoln and is buried near there.

Volume # 2

Scheduled for mailing in October 1991. George Carl Marty will be the main subject of discussion in Volume # 2. I will include all information I have on George along with a photograph.

Volume two will also include any updated information I may find on Gottlieb Marty.

If you have any facts about either of these individuals that you think would be of interest please send them to me and I will include your information with what I already have.
