The MARTY Genealogical Newsletter

Volume # 8

Alma Lena Marty Buck

I must start by apologizing for being so slow in writing this edition of the newsletter. Every time I thought I was going to sit down and prepare it something came up that seemed more important. I hope that I do not let this become a habit. Normally I am a driven by punctuality.

It seems I have more bad news than good. Every time I got the drive to write I got more bad news so I lost interest. I promise myself not to let this happen again.

GOODNEWS!! We have been blessed with the arrival of three babies. Jaydan Smith, my second grandson in a year, Christopher Orion Burrows and Jack Allen Barr. The Births section has more information on these latest additions to our family .

I have the sad task to report the loss of loved ones. Charles Percival and Emil Marty has left us since the last newsletter. I will cover each more thoroughly in the Deaths section of the newsletter. My thoughts and prayers go to all who mourn these losses.

My sister's family (Harry & Sandi [Marty] Heaston), suffered a terrible tragedy. Cris & Jake Sprague were involved in an automobile accident that left four year old Jake hospitalized

with two broken legs in Sterling Colorado and Cris hospitalized with multiple broken bones including a head injury, in Greeley, Colorado, one hundred miles away. This accident lead to months of heartache for all of us. However this tragedy was not without a happy ending. Jake has recovered from his injuries and is doing fine. Cris, who was injured much worse has also made a miraculous recovery and is now at home with her young son. Sandi tells me that Cris will be returning to her job in the near future. My prayers are with you, Crissy, Jake, Sandi, Harry, Suzie, Cathy, Ed, Mom and all the rest who have been touched by this.

My research time has been slim to none. I must get back after Gottlieb to find when and where he emigrated. I keep running into a brick wall but will not give up. Someday I will find the answers.

I have been thinking about looking in Switzerland. I may try using the computer through Compuserve World Wide or the Internet. I see several genealogy groups on both these on-line services.

More and more historical records are becoming available on computer CD-ROM disks. Every few months new data is released on this media. It makes research much easier. At least it can give you some idea on what and where to search.

This newsletter may be more of a Christmas letter if I don't get in gear

Dan and Alma lived in Colorado Springs, Colorado for most of their lives together. They moved to a smaller community after Dan's retirement. After Dan's death on 17 March 1980, Alma returned to Colorado Springs and resides there today.

I remember spending summer vacations in Colorado Springs with my Aunt, Uncle and cousin's. The Buck's home was always a busy place. The men fished, hunted and enjoyed the outdoors.

I must be honest and admit I don't recall what exactly the ladies were up to. Cooking many excellent meals, I do remember that.

All of us that receive and enjoy this newsletter owe my Aunt Alma many thanks. She has been free to give of her time and memories to help me compile much of the data I have on the Marty family. I can not thank you enough, Aunt Alma.

Following is a letter most graciously submitted for this article.

Dear Sis,

Though we are older now and in our "golden" years, we have always kept in close touch with each other. Even though we live in different states - you in Colorado and me in Kansas, we visit each other as often as possible. We have some interests in common, both like to sew, make quilts and dolls. We have the same number of children, five, all of whom are grown, married and have fami-

lies of their own. Although you have the most grandchildren and great grandchildren.

Our times together have always been special to me. We have shared many happy times together as well as some sad times, but try to dwell more on the good ones. When we're together we often talk about the "good old days" which were often pretty rough.

In our early school years in a one room country school, we once had a teacher named Lucille Buck. Little did we know then that some day you would marry her cousin, Dan Buck, and I would marry Henry Leiker, who is related to Dan's cousin's husband, August Leiker.

Remember when our favorite song was "Green Grow The Lilacs", sung by Tex Ritter?

Once when you were visiting here in Salina you brought along a Star quilt you were working on in shades of purple and lavender. You asked me if I likes it and I said "Yes, very much" as those were my favorite colors. Sometime later I received a package from you . In it was that beautiful Star quilt you were making earlier. I was really surprised as I never had any idea you were making it for me. I think you sent it for my birthday. It is one of my most treasured possessions, and have it tucked away in my cedar chest. I could write more, but just want you to know how glad I am that you're my sis. My kids always say you're their favorite aunt.

With love from your Sis,

and finish it.

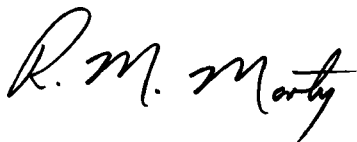

11/18/94 - Finally received an obituary for my Uncle Emil so will complete this newsletter and get it in the mail. Thanks Mom.

It is my wish that each of you have a happy holiday season. Hopefully we can all spend time with our families and loved ones.

Old man winter is dealing us a double dose this year. Thirty inches of snow already.

I must finish so I can get this to the printer and in the mail.

Take care and God Bless. I hope you enjoy yet another edition of The Marty Family Newsletter.
